2020 Business Partner Benefits

Being a Business Partner of La Grande Main Street Downtown means that you're supporting your community. Your contribution goes directly to funding all of LGMSD's Downtown supporting activities including:

- The Flower Basket Program: Your partnership contribution pays for the beautiful flower baskets hung from the lampposts downtown every year, brightening our Downtown in the warmer months of the year.
- Downtown Events: Every year thousands of people come Downtown to attend our special events. Your contribution makes events like Crazy Days, Downtown Trick or Treat, Plaid Friday, and the New Year's Eve Block Party and Ball Drop possible.
- Business Education and Development: The Hot Topics series is in-part presented by LGMSD. These events provide businesses with educational resources centered around topics central to every business' success, as well as an opportunity to consult and converse with your fellow businesses on best practices.

... with much more to come in 2020!
